RESOLUTION NO. _____
Town of Canton
July 31, 2020

Provide Direct COVID-19 Related Federal Aid to All Municipalities

WHEREAS, the federal government recently enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act to address the economic fallout from the coronavirus pandemic in the United States; and

WHEREAS, Section 601 of the CARES Act (P.L. 116-136) provides a \$150 billion fund for states, tribal governments, and units of local government with a population in excess of 500,000 people; and

WHEREAS, less than one-half of 1 percent of municipalities in the entire United States meet this population threshold and are thus ineligible to receive direct funding from the federal government; and

WHEREAS, of the 933 towns in New York, 931 are not eligible for direct federal funding under the CARES Act, including the Town of Canton; and

WHEREAS, towns provide essential services to the 9 million New Yorkers town residents, including, but not limited to, ambulance, police and fire protection services, building and code enforcement, and highway maintenance, and have continued to do so throughout the ongoing health crisis; and

WHEREAS, the coronavirus pandemic has created significant financial stress for local governments in New York as an estimated \$2 billion in sales tax revenue has been lost, as well as other sources of revenue such as permit fees, justice court fines, and mortgage recording tax; and

WHEREAS, the depletion of different revenue sources for local governments, combined with lack of funding, will result in reducing essential services or shifting the cost onto real property taxpayers, many of whom are experiencing their own financial stress;

NOW THEREFORE BE IT RESOLVED, that the Town Board of the Town calls upon United States Congressional Representative Elise Stefanik, Senator Charles Schumer, and Senator Kirsten Gillibrand, to support federal funding related to the coronavirus pandemic that is directly delivered to all municipalities, regardless of population size.
