PUBLIC HEARING 6 P.M.

Prior to the meeting, the Town and Village of Canton Boards will hold a public hearing at 6 p.m. for the purpose of hearing public comments on the Town and Village of Canton's community development needs, and to discuss the possible submission of one or more Community Development Block Grant (CDBG) applications for the 2021 program year. The CDBG program is administered by the New York State Office of Community Renewal (OCR), and will make available to eligible local governments approximately \$60 million for the 2021 program year for housing, economic development, public facilities, public infrastructure, and planning activities, with the principal purpose of benefiting low/moderate income persons. The hearing will provide further information about the CDBG program and will allow for citizen participation in the development of any proposed grant applications and/or to provide technical assistance to develop alternate proposals. Comments on the CDBG program or proposed project(s) will be received at this time. The hearing is being conducted pursuant to Section 570.486, Subpart I of the CFR and in compliance with the requirements of the Housing and Community Development Act of 1974, as amended. If special accommodations are needed for persons with disabilities, those with hearing impairments, or those in need of translation from English, those individuals should contact Sally Noble, Village Clerk, at snoble@cantonny.gov or 315-386-2871, at least one week in advance of the hearing date to allow for necessary arrangements.
